

ENVIRONMENTAL POLICY

It is the policy of Designation Ltd to maintain, on a continual improvement basis, an effectively managed Environmental Management System as defined in ISO 14001:2015.

Our environmental management system documents our commitment to:

- Adoption of environmentally responsible policies and practices
- Continual improvement of policies, procedures and performance
- Prevention of pollution
- Establishing measurable environmental objectives and targets by which to monitor ourselves against.

We further ensure all our business operations comply with relevant legislation and regulative requirements and where appropriate our Customers environmental management requirements and regularly assess the environmental impact of all our operations

We encourage employee involvement in positive environmental action and we recognise that employees have responsibilities towards the environment within which they live and work, and a responsible attitude and commitment to those responsibilities and the company's objectives is expected.

This Policy is communicated to all employees during induction training and displayed in prominent positions around the premises.

Our environmental objectives and targets shall be formally reviewed at each management review of the quality, environmental and health & safety management system.

Records of the review shall be retained.

This Policy is approved by the Managing Directors signature and made publicly available on the company website.

A handwritten signature in blue ink, appearing to be "M. O'Boyle".

M. O'Boyle
Managing Director
