Quality Policy

It is the policy of Designation Ltd to maintain, on a continual improvement basis, an effectively managed Quality Management System as defined in the ISO 9001:2008 standard.

This policy will assure customers that the products supplied will conform to specification and will ensure that the products and services we provide to our customers will consistently meet or exceed their expectations.

We operate systems that regularly evaluate our processes and we have set quantifiable goals with plans in place to ensure that they are continually improved.

We further ensure all business operations comply with relevant legislation and regulative requirements.

The Directors and management of Designation Ltd are firmly committed to the documented procedures and control systems of the company, and the total participation of all personnel is mandatory.

This Policy is communicated to all employees during induction training and displayed in prominent positions around the premises.

Our quality objectives and targets shall be formally reviewed at each management review of the quality, environmental and health & safety management system.

Records of the review shall be retained

This Policy is approved by the Managing Directors signature and made publicly available on the company website.

M. O'Boyle
Managing Director
